Participation Criteria

For "What's the consulting career path" and "How to become a leader", no sign-up is required. You just need to show up on time.

For the rest of the sessions, we will invite 20-30 students, to apply please send all relevant material to annie_wang@mckinsey.com by Jun 6!

- Your application form, indicating your preference of the session (see template attached)
- Your resume (optional)
- Pework of the session

Pework requirements:

Say it with Charts

Please submit 5 pages of your favourite powerpoint charts created by you.

Presenting with Impact

Please prepare a 5-minute presentation on any topics which can be related to business or not, e.g.

"What I'm passionate about?", "What does China look like 100 years later"

7-Step Problem Solving

Please write down a most difficult problem you have encountered and the solution proposed by you, e.g.

"Continue studying overseas or start working in China?"

Thank you and we are delighted to see you soon in Jiaoda!
